## Notes

- Always spell out ARL numbers
- Do not use Morse code (CW) abbreviations or Q-signals
- All messages must have a signature
- If a word is difficult to discern over the air or unusual, spell it phonetically
  - It is a good practice to always spell last names
- UTC is preferred for times and dates, but if you use local time, indicate the time zone
- International traffic is allowed as long as there is a third-party traffic agreement with the other country
